

Pilgrim Lutheran Church—St. Paul Leadership & Creativity Fellowships

Pilgrim is a progressive and inclusive Lutheran-Christian community of faith that seeks to be *a home for hungry minds and souls*. Leadership & Creativity Fellowships are meaningful four-month (renewable), stipended experiences for young adults that support vocational discernment, strengths- and job-skills development through project leadership. Fellowship projects also strengthen Pilgrim's commitment to its mission, core values, and ministries. Fellowships are flexible, in terms of the number of hours needed to fulfill the role, and are intended to be compatible with concurrent work/study.

Pilgrim Leadership and Creativity Fellowships are made possible by the gifts of Mardell Johnson, in memory of her daughter Karen Johnson, the gifts of other generous Pilgrims, and by a Thrivent Foundation Lutheran Challenge Grant.
